

# Nature Journaling Workshop For Children

Wed., April 17 (school vacation week)

9:00 a.m. to noon

At Great Mountain Forest's  
Ted and Elisabeth Childs Center,  
200 Canaan Mountain Rd., Falls Village

Children ages 8 and up are welcome to join us for a morning of indoor and outdoor activity for inspiration to create a nature journal. Join horticulturist Debbie Munson, artist and teacher Holly Tarrant and GMF Program Coordinator Jean Bronson as we take a hike to explore what's happening in nature now that it's spring. We'll look for birds and signs of other animals, as well as plants that are emerging. If we have the opportunity, we'll explore some puddles, too. We'll sketch outside as weather permits and then come inside for snack and learn about drawing and writing techniques that will make the journals unique. Children who attended the winter session, please bring your journals; new children will receive one. Art supplies are provided; the journals are yours to take home and continue to use.

**Fee is \$10 per student. Pre-registration and pre-payment required;**

**Registration deadline is Fri., April 12.**

Contact [jean@greatmountainforest.org](mailto:jean@greatmountainforest.org) for a registration form.
