Dr. Charles H. Canham

“Resilient Forests in a Rapidly Changing World”

Building on over 20 years of research at Great Mountain Forest, Dr. Canham will highlight the resilience of northeastern forests in the face of the broad spectrum of human impacts including climate change, invasive species, and air pollution. Dr. Canham is a Forest Ecologist at the Cary Institute of Ecosystem Studies in Millbrook, New York and a member of the Board of Trustees of Great Mountain Forest.

Seating is limited and reservations are required; please email jean@greatmountainforest.org or call the library at (860)542-5075.
